

## ABS Scholarship Guidelines

### **Educational Institutions**

1. Solicit applications from student population
2. Collect and review applications
3. Forward copy of applications, letters of recommendation, etc. to ABS Scholarships Coordinator
4. Conduct interviews with ABS represented on panel
5. Nominate one student and alternate for each award

### **Candidates**

1. Candidates must be undergraduate students of naval architecture/marine engineering
2. Undergraduate students must have completed two years study
3. Complete application form
4. Provide a written recommendation from their course tutor
5. Provide statement explaining why they desire a scholarship from ABS
6. Application is non committing but could be open for vacation placement work
