

DESIGN LIGHT. WIN BIG.

ALTAIR GLOBAL STUDENT CONTEST

MAY 2023 - APRIL 2024

Winners
awarded each
month

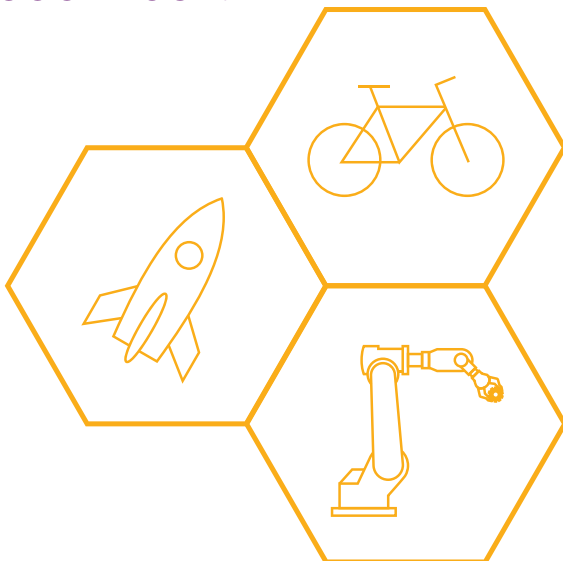

Use **topology optimization software** to develop **lightweight designs**.

The contest is live now and you can enter unique submissions every month, meaning you have 12 chances to win – including a shot at the global grand prize at the contest’s end.

You can find contest rules, judging criteria, FAQ, sample submissions, terms and conditions, and the contest entry form at web.altair.com/global-student-contest-2023.

GOOD LUCK!

Why?

- ▶ A chance to win up to \$750 monthly and qualify for a \$7,500 grand prize.
- ▶ Develop skills employers are looking for.
- ▶ Have fun!
